The offers that drive loyalty

Monthly Wash Club — save \$1,000/mo

4 washes/month at \$2,250 each (was \$2,500) = \$9,000/mo vs \$10,000. Framed as savings, not just price.

876 Loyalty card

Future Business Plan

PART 2 — WHERE WE GROW NEXT

The Wash Club turns one-off washes into predictable monthly revenue. This roadmap builds on that recurring base.

Phased roadmap

P1

Phase 1 • Lock in recurring revenue (0–3 mo)

Fill the Wash Club, launch the loyalty card, build the review engine. Predictable monthly income.

P2

Phase 2 • Add services & B2B (3–9 mo)

Sell couch/mattress & upholstery detailing as standalone services; sign dealer & small-fleet contracts; add ceramic-coating tier.

P3

Phase 3 • Scale the mobile model (9–18 mo)

Second mobile unit + trained detailer, online booking with deposits, gift cards, and seasonal packages.

Revenue streams

Stream	Description	Stage
Single washes & details	Walk-up / on-demand bookings	Now
Monthly Wash Club	Recurring 4-wash subscription	Now
Upholstery / couch / mattress	High-margin standalone detailing	Phase 2
Ceramic coating / paint protection	Premium add-on tier	Phase 2
Dealer & fleet contracts	Volume B2B accounts	Phase 2
Gift cards & seasonal packages	Holiday & birthday gifting	Phase 3

Cross-brand advantage

Same owner as **Ship2Door JA** and **Aboo Tours**. Cross-promote to one Jamaican audience, bundle loyalty across brands, and share content days to lower marketing cost for all three.
