PART 1

Six Content Categories

What we post — and the mix that keeps the feed balanced between reach, trust and bookings.

The mix

Plan every week against this balance — never let “book now” crowd out reach and value.

	Island Eye-Candy <i>Reach</i>	25%
	Experience Spotlights <i>Convert</i>	20%
	The Aboo Difference <i>Differentiate</i>	15%
	Yard Knowledge <i>Educate / SEO</i>	15%
	Guest Love <i>Trust</i>	15%
	Real Jamaica <i>Connect</i>	10%

Content categories · 1–3

1 · Island Eye-Candy **25%**

Goal Reach — stop the scroll

- Cinematic Reel over Dunn's River or a Negril sunset + trending audio
- "POV: your first 60 seconds in Jamaica"
- "8 views that'll make you book a flight" carousel

2 · The Aboo Difference **15%**

Goal Differentiate — justify the premium

- Airport meet-and-greet: name sign, cold towel, luggage handled
- Fleet walk-through: Sedan → SUV → VIP Van → Shuttle
- "Airport taxi vs. Aboo private transfer"

3 · Experience Spotlights **20%**

Goal Convert — drive bookings

- One tour at a time: price + what's included + CTA
- Dunn's River \$95 · Rick's \$110 · Catamaran \$135
- "3 reasons to add this to your trip"

Content categories · 4–6

4 · Yard Knowledge 15%

Goal Educate / SEO — saves & search

- “How to get from MJB to Negril” → transfer CTA
- “Best time to visit / is hurricane season safe?”
- “What to pack for Dunn’s River Falls”

5 · Guest Love 15%

Goal Trust — social proof to conversion

- 5-star review over the matching experience photo
- Repost guest tags into a “Guest Love” Highlight
- Real honeymoon or family trip recap

6 · Real Jamaica 10%

Goal Connect — emotion & diaspora

- Jerk, patties & festival from the Kingston food tour
- Bob Marley Nine Mile with a reggae soundtrack
- Meet the team; “Out of Many” for Independence

Always-on layer — Stories & Engagement: 3–5 frames daily — polls, BTS, countdowns, UGC. Save the best into Highlights: Transfers · Tours · Reviews · BTS · FAQ · Offers.

The weekly posting rhythm

Assign each category to a day so posting becomes a system, not a decision.

Day	Category	Platforms	Format	Example
Mon	Yard Knowledge	IG · TikTok · Pin	Carousel	“MBJ → Negril: what to know”
Tue ★	Experience Spotlight	IG · FB · TikTok	Reel / carousel	Tour of the week + price + CTA
Wed ★	Island Eye-Candy	IG · TikTok · YT	Reel	Scenery / POV + trending audio
Thu ★	The Aboo Difference	IG · FB · Stories	Reel / carousel	Meet-and-greet / VIP fleet
Fri	Real Jamaica	IG · TikTok · FB	Reel	Weekend vibes / food / reggae
Sat	Island Eye-Candy	IG · TikTok	Reel / photo	Sunset of the day
Sun ★	Guest Love	IG · FB	Carousel / Story	Review of the week + book CTA
Daily	Stories & Engagement	All platforms	3–5 frames	Polls, BTS, countdowns, UGC

★ = the four-post lean week (Tue · Wed · Thu · Sun). Batch-produce the week in one sitting, then schedule.
