Marketing Plan

PART 1 — POSITIONING, AUDIENCE & CHANNELS

POSITIONING

Ship2Door JA is the modern, accountable way to shop America and get it delivered to your Jamaican door.

We compete on three promises customers feel on every shipment: **Economical** (clear per-pound rates), **Reliable** (handled with care, on time), and **Accountable** (real tracking, real notifications, real people).

Who we talk to

1

Jamaican online shoppers

People buying from Amazon, SHEIN, fashion & electronics sites who need a U.S. address and a trusted forwarder.

2

The U.S. diaspora

Jamaicans abroad sending barrels, gifts and essentials home to family — especially at birthdays & Christmas.

3

Small Jamaican businesses

Resellers and shops importing inventory who value consolidation, reliability and predictable cost.

Channels

- **Instagram @ship.2doorja** — feed launch series, Reels of real deliveries, Stories with the website link sticker.
- **WhatsApp (876) 360-2586** — quotes, pre-alerts, broadcast list for deals & arrival notices.
- **Facebook groups** — Jamaican online-shopping & diaspora communities; the print flyer shares natively here.
- **Referrals** — every happy customer is a channel; reward word-of-mouth (see Part 2).
- **Local drop-off / pickup** — **Icon Mall, Fairview · Aunt May's Cuisine** — a known, trusted physical point for collection & walk-ins.

Content pillars

Rotate six themes so the feed never feels like ads only: **How-it-works · Shopping tips & U.S. deals · Customer deliveries (social proof) · Promotions · Rewards · Behind-the-scenes / team.**

Launch Offers & 4-Week Calendar

PART 1 — THE PLAN IN ACTION

What drives sign-ups

1

Free U.S. shipping address

Removes the risk of trying a new forwarder — there is no cost to join. The headline hook of the launch post & flyer; customers pay only when they ship.

2

Ship2Door Rewards punch card

7 shipments/yr → FREE birthday shipment (≤20lb); 10/yr → FREE Christmas shipment (≤17lb). Turns one-time shoppers into yearly regulars.

Suggested 4-week launch calendar

Week	Mon	Wed	Fri	Story
1 · Launch	Launch hero post	How it works	Free address post	How-to (3 steps)
2 · Trust	Why Ship2Door	Customer delivery	U.S. deal tip	Rewards teaser
3 · Rewards	Rewards post	Punch-card card	FAQ / customs	Behind-the-scenes
4 · Convert	Testimonial	Barrel/Christmas tip	Sign-up reminder	Countdown / DM us

What we measure

- Followers & reach growth (target: +1,000 followers in 90 days)
- DMs / WhatsApp quote requests per week
- First-shipment conversions (new sign-ups)
- Rewards-card enrolments & repeat-shipment rate

Future Business Plan

PART 2 — WHERE WE GROW NEXT

The marketing above fills the top of the funnel. This roadmap turns that demand into a durable, multi-stream logistics business.

Phased roadmap

P1

Phase 1 • Establish (0–3 months)

Lock the brand & loyalty program, launch the IG series, build the WhatsApp broadcast list, start the referral reward.

P2

Phase 2 • Expand services (3–9 months)

Add sea freight (barrels & oversized), business accounts with monthly invoicing, and package consolidation to lower customer cost.

P3

Phase 3 • Scale & systemise (9–18 months)

Self-serve customer portal/app (pre-alert, track, pay), island-wide pickup points, and a paid membership tier (e.g. "S2D Plus").

Revenue streams

Stream	Description	Stage
Per-pound forwarding	Core air-freight margin per shipment	Now
Expedited / priority	Premium tier for faster turnaround	Now
Membership (S2D Plus)	Monthly fee for lower rates + perks	Phase 3
Sea freight & barrels	Bulk & seasonal (Christmas) volume	Phase 2
B2B import accounts	Contracted volume for JA businesses	Phase 2
Insurance add-on	Optional coverage per declared value	Phase 2

Cross-brand advantage

Ship2Door shares an owner with **876 Luxury Car Wash & Detailing** and **Abboo Tours**. The same Jamaican audience can be cross-promoted across all three — shared content days, bundled loyalty, and a single trusted brand family. This lowers customer-acquisition cost for every venture.

90-day priorities

- Hit 1,000 engaged IG followers and a 50-contact WhatsApp broadcast list.
- Convert 100 first shipments from new sign-ups; enrol 60% into the rewards card.
- Pilot consolidation & quote sea-freight demand for the Christmas season.
